¹ On May 3, 2021, Chancellor of Education Jacob Oliva issued the following guidance regarding two of Governor DeSantis’ recent executive orders regarding local government Covid-19 mandates, restrictions, and orders: “Questions have arisen over the impacts of the Executive Orders [EO-21-101](#), which is not effective until July 1, 2021, and [EO-21-102](#), which is effective immediately. To clarify, [EO-21-102](#) only impacts city and county governments, and does NOT impact school districts and individual schools. Moreover, [EO-21-101](#) and [EO-21-102](#) only impacts restrictive COVID-19 orders/ordinances that are adopted through emergency enactment. **Neither [EO-21-101](#) nor [EO-21-102](#) impact any school district’s policies for the remainder of the 2020-21 school year.**” (Emphasis in original)
