Dear Superintendent Jenkins and Chair Jacobs:

This letter is to advise you of the Department of Health's new emergency rule revising the "Protocols for Controlling COVID-19 in School Settings" and to provide you one more opportunity to come into compliance with the requirements established by the Department of Health.

A copy of the Department of Health's new rule, 64DER21-15, is attached. It revises the requirements for quarantining asymptomatic students who have been exposed to COVID-19 and further clarifies the parental opt-out provision to foreclose the erroneous interpretation that the parental opt-out permits a medical-only opt-out. That provision now provides that ". . . the school must allow for a parent or legal guardian of the student to opt the student out of wearing a face covering or mask at the parent or legal guardian's **sole discretion.**" See, [Rule 64DER21-15\(1\)\(d\), Florida Administrative Register, Vol. 43 / No. 185](#), September 23, 2021 (emphasis supplied). The purpose of these changes is explained by the Department of Health in its notice for the new rule.

The Department [of Health] observed a large number of students have been required to quarantine for long periods of time, resulting in the loss of hundreds of thousands of days of in-person learning. In addition, the Department [of Health] observed no meaningful difference in the number of COVID-19 cases in school-aged children in counties where school districts have imposed mask mandates. It is necessary to minimize the amount of time students are removed from in-person learning based solely on direct contact with an individual that is positive for COVID-19, to ensure parents and legal guardians are allowed the flexibility to control the education and health care decisions of their own children, and to protect the fundamental rights of parents guaranteed under Florida law.

I am continuing the investigation of your district's mask mandate that I notified you by letter of August 27, 2021. Based upon the authority provided to me under s. 1008.32(2)(a), Florida Statutes, I request that you provide a written response by 5:00 p.m. on September 24, 2021, documenting how your district is complying with that portion of the Department of Health's Emergency Rule 64DER21-15, that continues to give parents or legal guardians the sole discretion to opt a student out from a mask or face covering mandate.

As I have done before, if you fail to document full compliance, I intend to recommend to the State Board of Education that the Department of Education withhold funds in an amount equal to the salaries for all members of the School Board, as well as other sanctions authorized by law, for the period during which the district has been out of compliance.

Thank you for your prompt attention to this important matter.

Sincerely,
