

Frequently Asked Questions CTA eDues

WHY IS THIS HAPPENING?

Legislation is being passed that will prevent teachers unions and some other public sector unions from using payroll deduction for dues payments starting July 1st. Police, Firefighters, and Corrections Officers unions are exempt from this legislation.

WHEN WERE EMAILS SENT?

Two emails were sent on Thursday, March 30 about eDues.

1. One email was auto generated through the eDues platform from FEA to every member to their email address we have on file. The **subject** of the email is **'I'm Sticking with My Union - ACH Payment Summary'**. The email was sent from **centralmembershipsysteem@floridaea.org**. Please be sure to check your spam/junk folders if you cannot find it.
2. The second email came directly from orangecta@gmail.com with a link to the [Revocation Form](#).

IF YOU DIDN'T RECEIVE THE EMAIL

- Email us at ctaedues@gmail.com and we will check the email we have for you, update it and resend the link.
- We may have an old email address for you. We've been working with ARs since November to clean up our member database. We had many members with no email at all, some with email platforms that don't exist anymore, etc.
- Your inbox could be full. Even with gmail sometimes the address will no longer accept emails when it reaches a certain capacity.
- Some email platforms have a sort feature activated for spam, unknown emails, solicitations, etc. Check all folders. It could have been labeled as spam.

TWO STEP PROCESS

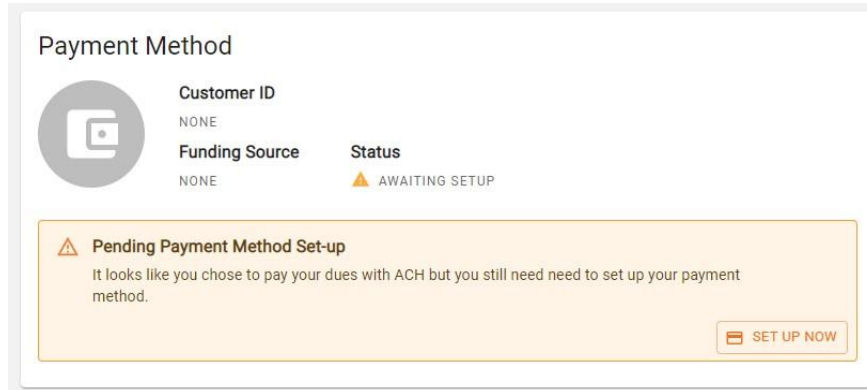

1. You will need to create an account in the portal using the FEA link and connect this to your bank account. There are two ways to do this.
 - a. You can log in to your account (there are 15,000 banks prepopulated. Just be careful to choose the account you want withdrawals made from.) Most people choose the same checking account where they receive their direct deposit. This is the fastest way.

-OR-

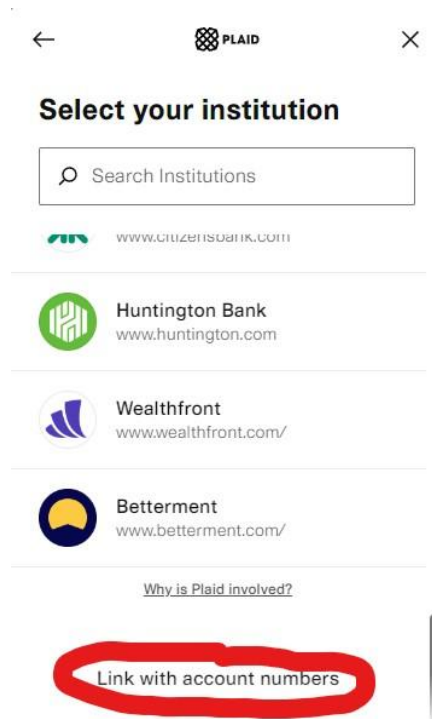

- b. The second option is to enter your routing and checking account number printed on your checks. This option will require you to come back to the portal after a couple days to verify that a micro-deposit was made which makes sure the account was entered correctly. Please see the **next heading** for a more detailed outline.
2. The second step of the process is to complete the [Revocation Form](#) and send it to CTA. Please send us the completed form at ctaedues@gmail.com.

MICRO-DEPOSIT METHOD

1. Close all browser windows. (Very important)
2. Open a new browser window and have the user log in to <https://feacms.floridaea.org/portal> and click the “Set Up Now” button:

3. Click “Get Started”
4. On the “Select your institution” screen, scroll to the bottom of the window and do not select your institution. Then select “Link with account numbers”:

5. Then enter the routing number, account number, the full name as listed on the bank account, type of bank account and continue through the process.
6. Please remember that the micro-deposit may take up to 24 hours to show in your banking account and in the memo field of the bank record will be a pound sign (#) followed by a three-digit code to be used in the member portal for verification.

WHY ARE WE STARTING THIS JUNE 7

We have nearly 8,000 members (our density is currently 55%). We want everyone to be able to maintain their membership when school starts in August. This will give CTA staff the summer to contact members to complete the eDues process prior to school starting.

WHEN WILL DUES BE WITHDRAWN

Dues will be withdrawn on payday. Since we don't get paid over the summer, dues will not be withdrawn then. After June 7 the next dues payment will occur in the first check in August.

HELP SESSIONS

We have a virtual help session scheduled for April 3, 11, 19, 27 and May 1, 9, 17, 25. Click [HERE](#) to join Zoom at 4:30pm. No RSVP necessary.

NEWSLETTER/EMAIL

If you didn't receive the eDues email this means you are likely also not receiving our newsletter every other week. It is typically sent on a Monday. It is a two page pdf with links to important information our members need. The good news is once we get your email on file fixed you will also have access to the newsletter.

SCHOOL VISITS

We have three CTA members who are working at CTA until the end of this school year helping with school visits. Your AR has probably received an email from them to coordinate a visit. They're able to talk to any potential members you bring to that meeting and also can help with any eDues issues you have. We also have some retirees who will be visiting schools/worksites soon to help out.

CAN WE PAY BY CHECK

Yes. You may pay your full dues by 8/31 or you may pay half by 8/31 and half by 1/31. We don't have a monthly check payment option.

TUTORIAL VIDEO

The below brief video was sent in the email on Thursday. Reposting here if anyone hasn't seen it.

THANK YOU FOR YOUR PATIENCE

This is a big task to get all our members converted into a completely new way to pay dues. We've been working on it nonstop to anticipate different scenarios and adjust plans and especially to clean up our database. Thanks for your patience and standing strong together as we get through this and also as we continue to build our membership beyond 60%. We will be stronger in the end!

In Solidarity,
Clinton Warner McCracken
Orange CTA President
